Per the Shell Pipeline San Joaquin Maintenance Supervisor:

- Remediation crews have begun preliminary clearing of contaminated soils and are staging to begin exposing the pipe scheduled for the morning of 05/21/16.

SITUATION SUMMARY

Significant Activity - California Department of Public Health

The California Department of Public Health (CDPH) and Emergency Medical Services Authority (EMSA) activated the Medical and Health Coordination Center (MHCC) at Level 1 in response to the Zika virus on Thursday, 05/19/16 at 1300 hours.

- The MHCC will operate from 0800 to 1700 hours Monday through Friday until further notice.
- Per CDPH: Activation is due to an effort to consolidate information and control distribution of information regarding the Zika virus and not due to any cases of Zika.

Concurrent Large-Scale Events, Santa Rosa, Sonoma County

Cal OES Coastal Region personnel have attended planning meetings for events occurring on 05/21/16. Both the AMGEN Bicycle Race (beginning at 1100 hours on 05/21/16) and local Rose Parade (beginning at 1215 hours on 05/21/16) will be occurring in downtown areas of Santa Rosa, Sonoma County.

- Approximately 35,000 spectators are expected.
- With both events taking place on same day, Santa Rosa Police Department has developed security and traffic plans and will be fully staffed. Traffic issues are expected around the both race and the parade routes.
- Sonoma OA EOC will be activated at its most minimal level to monitor and be prepared if anything were to take place.
- No state assistance has been requested.
- Cal OES Coastal Region personnel continue to monitor the events.

Large-Scale Event, Inglewood and City of Los Angeles , Los Angeles County

The California Department of Transportation (Caltrans) will temporarily close various locations of State Routes 1, 90, and I-405 due to transport of Space Shuttle External Fuel Tank (Et-94).

- There will be rolling street closures as the tank is transported through the streets of Inglewood and Los Angeles during the transport.
- The 15-story-tall Space Shuttle External Fuel Tank is currently docked and is scheduled to leave Marina Del Rey at midnight on 05/20/16 and arrive at the California Science Center between 1900 and 2130 hours on 05/21/16.
- There are no requests for assistance.
